SAFETY GLASSES

MODEL EX601

FRAME INFORMATION

The Safety Glasses EX601 are a rectangular frame made of high-quality plastic. The EX601 model is lightweight, highly durable, and impact resistant. Plus, it features foam eyecup, rubberized nosepads, rubberized temples, and leaded side shields. These Safety Glasses are available in black, black with foam gasket, and matte apple green with foam gasket. They also meet rigorous industry standards, with ANSI Z87+ and EN 166, offering high impact certification for optimal protection.

Moreover, the Safety Glasses EX601 offer three lens choices. The first is a frame-only option. The second is clear safety lenses with anti-fog properties, ensuring impact resistance and fog prevention. The third option includes Transition gray lenses, ideal for indoor and outdoor use, transitioning from clear when indoors to gray in sunlight.
