SAFETY GLASSES

MODEL F126

FRAME INFORMATION

The Safety Glasses F126 are a rectangular frame made of high-quality plastic. The F126 model is lightweight, highly durable, and impact resistant. Plus, it features rubberized nosepads, rubberized temples, and removable side shields. These Safety Glasses are available in black. They also meet rigorous industry standards, with ANSI Z87+ and EN 166, offering high impact certification for optimal protection.

Moreover, the Safety Glasses F126 offer three lens choices. The first is a frame-only option. The second is clear safety lenses with anti-fog properties, ensuring impact resistance and fog prevention. The third option includes Transition gray lenses, ideal for indoor and outdoor use, transitioning from clear when indoors to gray in sunlight.
